OUR VISION

At iSiMAR we are proud and passionate of our industrial origins and our Mediterranean roots. We have been working with the same pure, natural, and environmentally friendly materials with care and knowledge for the last 55 years; mainly with galvanized rod, but also aluminum and galvanized steel in sheet and tube.

Our product has always been exposed to humid and highly corrosive environments, working in industries such as poultry equipment or industrial refrigerators. Therefore we have acquired during decades the experience and knowledge necessary to live in outdoor environments.

Almost ten years ago, we decided to expand our industrial plan into creating contemporary exterior furniture designs. These designs are unique in their visual lightness and carefulness towards the architectural spaces that rod provides.

We conceive each collection, together with architects and designers, with the purpose of producing pieces that inspire professionals in creating clean, modern, comfortable and functional spaces.

iSiMAR products result from the combination of these designs, the use of natural materials, our industrial expertise (which gather production technologies with craftwork acquired over decades) and our roots of healthy, genuine, Mediterranean country that likes to share memoirs and life experiences.

From our factory in Pamplona, in northern Spain, the iSiMAR family, partners and local suppliers hereby present the 2020 collections. We look forward to helping you in the creation of great projects around the world.

NUESTRA VISIÓN

En iSiMAR sentimos pasión y admiración por nuestros orígenes industriales y nuestras raíces mediterráneas. Llevamos 55 años trabajando con orgullo y conocimiento los mismos materiales puros, nobles, naturales y respetuosos con el medio. Fundamentalmente varilla galvanizada, aunque también aluminio y acero galvanizado en chapa y tubo.

Nuestro producto siempre ha estado expuesto a ambientes húmedos y altamente corrosivos, al servicio de sectores como el avícola o neveras industriales. Esto nos ha permitido adquirir durante décadas la experiencia y conocimiento necesario para convivir en entornos exteriores.

Hace casi diez años, decidimos compartir nuestra pasión industrial creando diseños contemporáneos de mobiliario exterior, únicos por la ligereza visual y cuidado del espacio arquitectónico que proporciona la varilla.

Cada colección es concebida junto a arquitectos y diseñadores con la vocación de producir piezas que inspiren a profesionales en la creación de espacios limpios, modernos, confortables y funcionales, a la vez que alegres.

Los productos iSiMAR nacen de la combinación de estos diseños, el uso de materiales naturales, nuestra experiencia industrial (que reúne tecnologías específicas con el trabajo artesanal adquirido durante décadas) y nuestros orígenes de país mediterráneo sano, auténtico y que gusta de compartir momentos y vivencias.

Desde nuestra fábrica en Pamplona, Norte de España, la familia iSiMAR, colaboradores y proveedores locales, os presentamos las colecciones para este 2020. Esperamos que os ayuden en la creación de grandes proyectos alrededor del mundo.

#beauthentic

Fifty-five years ago, the López family founded Industrias San Isidro, a small workshop that produced metal structures.

Hace 55 años, la familia López fundamos Industrias San Isidro, un pequeño taller que fabricaba estructuras metálicas.

With the same wire, we made chicken cages, refrigerator shelves, as well as other products. We've worked with this material for years and have achieved maximum durability, resistance, and nobility.

Con esta misma varilla fabricábamos jaulas de gallinas, baldas para frigoríficos y otros tantos productos. Hemos estudiado este material durante años, y hemos logrado descubrir su máxima durabilidad, resistencia y nobleza

ILMIODESIGN

It defines itself as a creative bin, with focus in all the facets of design, and where each project is approached based on specific client needs to create a bespoke solution. They currently collaborate with many of the most influential hotel groups, such as Barceló, NH Hotel Group, Concept Hotel Group, Azora, Hispania or HI Partners. Due to their product design vocation, they started to work with iSiMAR several years ago as art directors and designers of two of the most unique and successful collections, LAGARTO and PARADISE collections.

Se define como un contenedor creativo, orientado al mundo del diseño en todas sus vertientes, con claro acento italiano, donde cada proyecto se adapta a las exigencias del cliente confeccionando un traje a medida. Nace de un encuentro entre Andrea Spada y Michele Corbani en el año 2009, ambos, italianos y licenciados en la Universidad Politécnica de Milán. Actualmente colaboran con algunos de los más influyentes operadores hoteleros como Barceló, NH Hotel Group, Concept Hotel Group, Azora Gestión de Inversión, Hispania o HI Partners. La vocación hacia el diseño del producto lleva el estudio a colaborar con la firma de mobiliario iSiMAR en calidad directores artísticos y diseñadores de dos de las colecciones más personales y exitosas de iSiMAR, las colecciones LAGARTO Y PARADISO.
